

Workplace Activity Fund Guidance Notes

The Workplace Activity Fund aims to support the costs involved in trialling a new sports or physical activity opportunity for CSSC members and prospective members. Whether it's assistance with start-up costs, venue costs, equipment or even a coach or instructor, this fund is designed to assist you with funding to help set up an activity with your friends and colleagues.

What can CSSC fund?

- An activity that directly benefits both CSSC members and potential members.
- Start-up costs.
- The purchase of non-personal equipment.
- Venue hire costs.
- Coach/instructor fees (we will need to see a copy of the instructor's valid public liability insurance certificate).

What can't CSSC fund?

- Ongoing running costs of an activity already existing or has previously taken place in your workplace, area or region.
- An activity designed for individuals or where the benefit is for one person only. Each application will be assessed on several factors including participant numbers in relation to the amount of funding requested.
- An activity that has already been tried and tested in your workplace in the last 2 years.
- Travel or accommodation costs for participants.
- food or beverages.
- Prizes.

How much can I claim?

We can fund anywhere between £50-£500 maximum per application, dependent upon circumstances and member participation numbers.

How often can I claim?

You may claim once every year but not for the same activity, it must be for something new.

Please be aware that funding could be limited due to budget restrictions and popularity at certain times and may not be available all year round.
